

International Conference of Data Protection and Privacy Commissioners

Conference Strategic Plan 2016 - 2018

[Proposal for discussion purposes]

Action plan 2015 – 2016

- A. *Strengthening Our Connections, Working With Partners*
- B. *Advancing Global Privacy in a Digital Age*
- C. *Completing Conference Capacity building*
- D. *Auditing Our Effectiveness*

The Action Plan supporting these priorities might include:

A. *Strengthening Our Connections, Working With Partners*

- a. Overhaul observer arrangements to ensure we have two way effective connections between international governmental organisations and ICDPPC
- b. Develop supportive connections between networks involved in cross-border enforcement
- c. Explore ways in which the Conference and regional forums of DPAs can better connect and enrich each other
- d. Develop new and better ways to collaborate in developing, and share results of, education and research efforts

B. *Advancing Global Privacy in a Digital Age*

- a. Effectively assist the UN special rapporteur

C. *Completing Conference Capacity building*

- a. Tasks following from SDWG recommendations e.g. incorporate a vehicle to hold and disburse funds, introduce levies or voluntary contributions scheme, develop an online conference hosting step by step guide, etc.👉

D. *Auditing Our Effectiveness*

- a. Consolidate and analyse past conference resolutions
- b. Stocktake: Review whether they have been effective to date
- c. Develop and execute a plan for making conference resolutions effective.
