An Enforcement Cooperation Handbook

- How might we cooperate?
- Stages of enforcement cooperation
 - Laying the foundation
 - Identifying and evaluating opportunities
 - Choosing a cooperation option
 - Implementing cooperation

An Enforcement Cooperation Handbook

Intent is to provide:

- List of issues an authority may face in preparing for / engaging in enforcement cooperation
- Potential models, approaches and solutions that authorities can consider implementing
- Factors to consider in determining what, if any, proposed strategies may be appropriate

Recommendation

- Standing objective to review and amend the handbook as part of future international enforcement cooperation meetings
