And also, in our premises, we organize Seminars on every Wednesdays with data controllers from public and private sector to inform them about the implementation of the Law and to discuss how to cooperate with them. By making necessary arrangements, we have ensured that the date of 7<sup>th</sup> April, when Law on the Protection of Personal Data was adopted, is celebrated as “Personal Data Protection Day”. We have also ensured that some arrangements were made for “Personal Data Protection Clubs” within the scope of social activity in the schools. We have organized “Slogan Competition” inter-high school regarding protection of personal data. 5 best slogans have been awarded. We have prepared educative and instructive materials including informative brochures and Question and Answer Booklet relating to “*Guidelines on Law on the Protection of Personal Data and its Enforcement, Guidelines on Questions and Answers Regarding Enforcement of Law on the Protection of Personal Data No. 6698, Guidelines on Erasure, Destruction or Anonymizing of Personal Data, Guidelines on Personal Data Security, Guidelines on Institutional Terms Included in the Law No. 6698, Guidelines on Basic Concepts Included in the Law No. 6698, Guidelines on Purpose and Scope of Law on the Protection of Personal Data No. 6698, Guidelines on Explicit Consent, Guidelines on Right to Demand Protection of Personal Data as a Constitutional Right, Guidelines on Transfer of Personal Data Abroad, Guidelines on Structure and Duties of Personal Data Protection Board, Guidelines on Right of Application and Complaint Regarding Protection of Personal Data, Guidelines on the Requirement for Protection of Personal Data in National and International Arena*” and promotional and informative videos relating to “*What is Personal Data?, Who is Data Subject?, Who is Controller?, Desk Transactions, Personal Data is Your Value to be Protected*”.
