An investigative cooperation has been provided to the ICO in order to identify a company making marketing calls.

- b. Please provide a full description of the initiative (no more than 350 words):

CNDP has provided An investigative cooperation to the ICO in relation to a subscriber the ICO was looking into under PECR Privacy and Electronic Communication Regulations (PECR).
The case was related to marketing calls targeting British citizens.
ICO has requested cooperation from CNDP after getting the confirmation by the British network provider that the calling numbers were allocated to a Moroccan Subscriber.
CNDP has contacted the company and was able to identify third parties theses numbers were allocated to.

- c. Please explain why you think the initiative deserves to be recognised by an award (no more than 200 words)

We do think that this kind of cooperation among countries, will improve DPA's investigation efficiency, since it represents a way of sharing insights and expertise. This is could also enhance the safety and security of a broader community.
