4. Description of the initiative

- a. Please provide a brief summary of the initiative (no more than 75 words):

Our entry is a software program, to manage the Register of Treatment Activities (**Registro de Actividades de Tratamiento (RAT)**), in spanish).

- b. Please provide a full description of the initiative (no more than 350 words):

The APDCAT has developed a software solution to create and manage the registration of treatment activities, in order to offer support data controllers and processors, mainly small entities. The solution, available now in Catalan and Spanish (it's possible to translate to English, if necessary) , allows to register the different treatment activities, as well as modify them and cancel them when necessary. It also allows to generate a document of each treatment activity included in the registry, to be able to publish it, if applicable. The solution also includes the possibility of including additional information (not mandatory according to the article 30.1 GDPR).

¹ 6.2 Conference documents

Without prejudice to section 4.2, conference documents, including accreditation and observer applications may be submitted in English or in another language. In the latter case, the documents shall be accompanied by an English version. Members with the ability and the resources to do so are encouraged to translate proposed resolutions and other conference documents such as the Conference Rules and Procedures.

- c. Please explain why you think the initiative deserves to be recognised by an award (no more than 200 words)

It is an app that can be downloaded and installed easily and for free.
It is easy to use and is suitable for both private entities and entities that are part of the public sector.
